

# Notifi: Real-Time Alerts

When you log in to your online banking session for the first time, you will see **Alerts** at the top of the Home page.

Click Enroll.

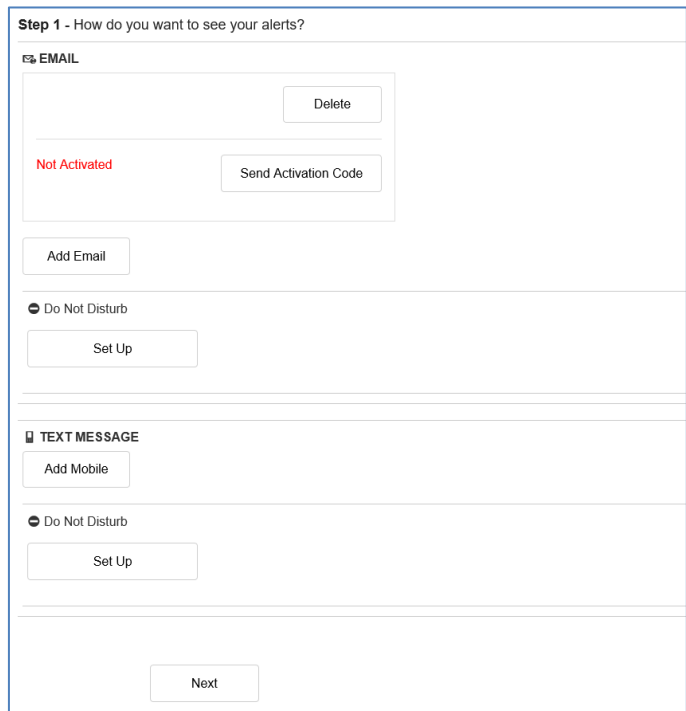

The following screen will allow you to select how you want to receive your alerts.

You can select as many options as you want.

There is a Do Not Disturb option. This allows you to select when you do not want to receive an alert, i.e. during the night.

Click Next to continue.

The Enrollment screen will allow you to select what alerts you want to set up.

Click the + button beside each category to set up the alert.
