Alerts

 **Stay Alert**
Know about changes to your finances and online security. Choose when and what alerts you get by email or text message.

[Enroll](#)

Then the following screen will appear for you to set up how you want to receive your alerts.

You can choose as many as you want. Also, notice the Do Not Disturb button. This allows you to select when you do not want to receive an alert, i.e. during the night.

Step 1 - How do you want to see your alerts?
